

## **Adopt a Planter Program**

The City of Storm Lake is committed to the beautification and cleanliness of Storm Lake and also committed to the health and safety of the lake. There are several flower beds located in the downtown district which are available to individuals or business owners to adopt and plant flowers in. With this comes many challenges and without volunteers all these items could not be maintained. The City encourages volunteers to help maintain the vision of Storm Lake Proud.

### **RESPONSIBILITIES for Adopt a Planter:**

**City:** Assist in the Winter/Spring preparation of the planters and flower beds.  
Monitor and adjust water requirements  
Provide signage to acknowledge adoption if the adopter so desires  
Contact the adopter in the event City staff deems the planter to be neglected or unsightly.  
City staff will make the final decision as to what planters or beds are available. Every effort will be made to grant the decision of the adopter for the bed or planter they are requesting.  
Ensure the agreement has been signed by the adoptor.

**Adoptor:** Provide contact person  
Remove and dispose of liter and weeds.  
Notify City staff of hazardous conditions, problems or concerns.  
Visit the site frequently to ensure a clean and healthy environment.  
Plant new plants and replace dead plants as necessary.  
Prepare the beds and planters for Winter and Spring.
